## FIFTH WEEK OF EASTER

**APRIL 28, 2024**  
**GOSPEL**

### **Reading of the Holy Gospel according to Saint John (15, 1-8)**

Jesus said to his disciples: "I am the true vine, and my Father is the vine grower. He takes away every branch in me that does not bear fruit, and every one that does he prunes so that it bears more fruit.

You are already pruned because of the word that I spoke to you. Remain in me, as I remain in you. Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me. I am the vine, you are the branches. Whoever remains in me and I in him will bear much fruit, because without me you can do nothing. Anyone who does not remain in me will be thrown out like a branch and wither; people will gather them and throw them into a fire and they will be burned.

If you remain in me and my words remain in you, ask for whatever you want and it will be done for you. By this is my Father glorified, that you bear much fruit and become my disciples."

### **LORD'S WORD**

# CHRIST THE KING CATHOLIC CHURCH

## FIFTH WEEK OF EASTER

# APRIL 28, 2024 REFLECTION

Jesus wants us to know that we are branches who cannot stand alone. Jesus himself is our gardener who continually nourishes our spirit. If we remain faithful to Him, our life will prosper and bear much fruit. If we remain loyal to our belief, the hard work we did will result in more than we ever expected. However, if we walk away from him, we will wither. May we always hold on to Him who is our vine.

In today's Gospel, Jesus uses the image of the vine and the branches. This is a familiar parable to us. Jesus tells his disciples that he, Jesus, is the "true" vine and his Father is the vine grower. And if his Father is the vine grower, He is responsible for growing good grapes that will make good quality wine. Jesus also says that the vine grower will prune us. Painful as this seems, this pruning will enable us to bear more fruit.

Sometimes we resist pruning. We do not understand that pruning is vital if we are to bring forth new life. We must trust God's pruning process. God's thoughts, words and values must displace our earthbound ones. Only so will we become like the Lord. Life prunes us all the time. And most often, we do not like the pruning. Being pruned is typically painful and difficult. Yet, after a period of time, we may come to realize that this pruning has enabled us to bear fruit in new and different ways. We also may begin to experience the new life that has come from our pruning. We may have grown and changed for the better!

The vine grower recognizes when the vines need to be pruned. And the vine grower also realizes that better fruit will grow because the vine has been pruned.

Today and always may we trust our Vine grower. He only desires what is best for us. And He will prune us in a gentle and loving way!
